Tasting Notes

- ▶ The Closson Chase Vineyard Chardonnay is a blend of the north and south vineyards. This wine was produced using 50% less new barrels than the previous vintage. The character of the vineyard is most apparent. A little fresher than the South Clos, its flavour profile is also dominated by minerality, a warm finish with good length. The 2008 Closson Chase is worth cellaring for up to two years before opening a bottle.
