Tasting Notes

- ▶ With its pale, salmon pink color, dry mouthfeel and bright aromas, this rosé may remind you of Provence, as much as Prince Edward County – a sign, no doubt, of the effects of the hot summer of 2010. Strawberry shows up on the nose with apple and a bit of garrigue herbs, while the flavors also add a layer of warm strawberry and red cherry and some mineral notes. Try it with some charcuterie or grilled fish.
