WINEMAKER'S NOTES: Closson Chase Iconoclast Chardonnay is rarely produced... three vintages in a decade. The Iconoclast is bottled from the two best barrels a great vintage has to offer. Neither barrel requires the "art" of blending to bring about a perfectly structured wine that is meant to age with grace. The Iconoclast requires patient cellaring to achieve its true potential development.

PRICE: \$69.95 | 750 mL
